

## Has your Company reached the stage in its development where it requires clearly defined responsibilities, authorities and accountabilities?

If the answer is yes, then have you thought of engaging our services to help you define and develop job descriptions and corresponding performance indicators for your staff?

Some searching questions: -

- If your staff do not know what is expected of them, how can you hold them accountable?
- Are you a one-man-band controlling all the decision making processes yourself?

What are the benefits of using our services?

We will: -

- Interview your staff and yourself to establish each job's key facets
- Write the job descriptions and develop corresponding indicators
- Assist in the monitoring of the indicators and modify them if required over a 3 month bedding-in period

Why not email or give us a call **now** to informally discuss your needs or give you a quote?
